\* Running costs are based upon our recommended stoneware firing to 1260 C with an empty Kiln and a Electricity Price of 33¢ per kW/h

# Depth of Kiln can be reduced by 120mm by removing the kiln door and Thermocouple temporarily in order to clear narrow doorways.

### Testimonials:

*"My first kiln firing went great and the recommended programs are working well. The kiln manual is very user friendly and is written in simple terms if a person has not used a kiln before. Great doing business with you."*

**Jan.O Darling Heights Qld**

*"Thank you for a very easy transaction/delivery process and a great product"*

**David.M Coolamon NSW**

*"We fire our new kiln every week, and find it very economical less than half the cost of our smaller electric kiln that we replaced."*

**Michael.W Pottery Teacher Nelson Bay NSW**
