* Running costs are based upon our recommended stoneware firing to 1260 C with an empty Kiln and a Electricity Price of 33¢ per kW/h

Depth of Kiln can be reduced by 120mm by removing the kiln door and Thermocouple temporarily in order to clear narrow doorways.

Testimonials:

"My first kiln firing went great and the recommended programs are working well. The kiln manual is very user friendly and is written in simple terms if a person has not used a kiln before. Great doing business with you."

Jan.O Darling Heights Qld

"Thank you for a very easy transaction/delivery process and a great product"

David.M Coolamon NSW

"We fire our new kiln every week, and find it very economical less than half the cost of our smaller electric kiln that we replaced."

Michael.W Pottery Teacher Nelson Bay NSW
